Virtual Event: Health Equity Conference

Tuesday, June 16th

Join the National Rural Health Association's Health Equity Conference virtual event. This conference is designed for those who are dedicated to bringing quality health care and services to the most underserved, and often under-represented, portions of the rural population. This interactive conference will offer live presentations, access to over 85 concurrent sessions, live Q&A during and after presentations and much more.

There is a fee for this event.

For more information and to register, visit: www.ruralhealthweb.org

UNIVERSITY of MARYLAND
SCHOOL OF PHARMACY

Webinar: Peeking into Pandora's Box: Chronic Pain in Older Adults – Practice and Policy

Wednesday, June 17th at 12:00 p.m.

Join the University of Maryland School of Pharmacy for an interprofessional educational webinar hosted by the Peter Lamy Center on Drug Therapy and Aging. This webinar will explain the risks and challenges associated with chronic pain management in older adults and how to interpret state laws and policies that affect chronic pain management.

Continuing education units are available for this webinar.

There is a fee for the event.

For more information and to register, visit: www.pharmacy.umaryland.edu
